EXPERIENCE

Wilson RMS

Studio Supervisor, 2016 - 2017

- Successfully managed a 3 person team and oversaw the scheduling and production of high volume marketing projects.
- Met the demands of a two-fold increase in business by developing an efficiency-enhancing production workflow in collaboration with Project Managers and Account Supervisors.
- Resolved conflicts and provided solutions in a professional manner to the satisfaction of clients.

Production Artist, 2011 - 2016

- Met production milestones and upheld client brand guidelines and industry standards.
- Created, tested and delivered standards compliant animated banner ads.
- Updated client website content, HTML emails and landing pages.

MeebleMail LLC

Intern, 2010

- Regularly updated existing website content and performed user tests.

PROJECTS

Meal123 *Ruby on Rails, HTML & CSS*
https://secret-sierra-29085.herokuapp.com/
- Responsive and user-friendly meal planning web application.

Brainfloss *Ruby on Rails, JavaScript, HTML & CSS*
https://github.com/angeliqueb71/fun_facts
- Random facts and trivia generating application that draws its content from multiple APIs, using AJAX calls, and a hardcoded database.
